Kitty kitty

Przeczytaj opis dnia kota i uzupełnij go
brakującymi wyrazami.

Cats are funny animals because they can

.....  and.....  almost

a whole day. Cats  long hours, but

they wake up few times during the day. When they

are awake, they go to  and to

..... . When they are home alone,

they.....  but when you are at home

they  and want to..... 

with you. Cats love it! They are very clean animals,

so they.....  themselves every

day. Cats also 

and  every day.

Kitty kitty

Koty, tak jak ludzie, mają różne etapy w życiu. Przeczytaj tekst i uzupełnij grafikę.

kitten (0-6months).

It's a small cat. It sleeps, eats and spends time with its mum cat.

Koty, tak jak ludzie, mają różne etapy w życiu. Przeczytaj tekst i uzupełnij grafikę.

When a cat is born, it is called a kitten. It sleeps, eats and spends time with its mum cat and she helps and teaches the kittens. When a cat is 7 months old, the next stage starts. A cat becomes a junior. It means that it is still a young cat, but it can eat, play and clean without a mum. The next stage is a young adult stage, which lasts up to 6 years of the cat's age. Cat is an adult cat, but it needs a lot of attention, toys and a fun time with its owner or other cats. Cat is like a teenager. After that, the cat becomes a mature cat. It means that it sleeps more, plays less and gains weight. The last stage is when a cat is about 10 years old. Then the cat is called a senior. It's an old cat that wants to sleep, eat and sleep.
